INTRODUCTION

Students are expected to read, understand, and follow this Uniform Code of Behavior. Both the expectations and the consequences are practiced at Oldham-Ramona School (ORS). All consequences are subject to the discretion of the administration and may be adjusted according to extenuating circumstances. Because it is not possible to list every inappropriate behavior that occurs, the administration and their designees reserve the right to administer alternative consequences to inappropriate behaviors not included in this code or adjust consequences as they deem appropriate.

3. Explanation of the evidence supporting the charge
4. An opportunity to present the student's side of the story
5. A penalty that is proportionate to the violation
6. If the student and parent/guardian would like to request a copy of the due process hearing procedures, they can stop in the office and receive a copy.

EXPLANATION OF TERMS/CONSEQUENCES

Consequences are designed to be fair, firm, and consistent for all students. They apply to all students in school, on district buses and at school events. Consequences listed are minimums. Administration has the latitude to modify these penalties depending upon the severity and intent of the violation. Additionally, the administrator will have the authority to enforce other reasonable disciplinary consequences found warranted by the situation or the number of times that violation has been committed.

Most of the above consequences are designed for middle and high school students. Some of which can be modified to reflect the elementary students as well. Instead of a detention, elementary students may have to stay in from recess. The administration may deem some violations committed by elementary students to warrant using the consequences meant for middle and high school students without modifications.

Consequences which may be used by district staff to discipline students and/or encourage them to modify their behaviors include, but are not limited to, the following:

1. **Administrative Hearing:** Formal meeting involving principal, parents, and student to discuss behavior plan, alternative consequences or recommendation for long term suspension due to frequent and regular inappropriate behaviors.
2. **Behavior Contract:** A document outlining appropriate behavior and consequences that will be enforced for inappropriate behavior. Contracts will progress from minor consequences (detention) to those more severe (removal from class). Contracts will be written by the teacher, student, and principal and discussed during parent/guardian conferences.
3. **Counseling Referral:** A mandatory counseling meeting between the student and the counselor to discuss problems relating to attendance, harassment, profanity, insubordination, violence, or drugs. Suspension from school may continue until the student agrees to meet with a counselor or further consequences will be imposed.
4. **Detention:** Detention is time spent with a teacher or principal either before the start of the school day (7:30 – 8:15) or after the close of the school day (3:20-4:05) for the purpose of addressing inappropriate behaviors and ways to resolve differences. Detention must be served the day of or the following morning---not when it is convenient. Students failing to serve detention when assigned will be subject to further disciplinary action. Teacher or administration reserve the right to modify detention times.
5. **Expulsion:** Denial of a student’s membership in school by the Board of Education for a period of time not to exceed one year. If inappropriate behavior is repeated, despite the efforts of teachers, counselors, administrators and parents to support changes in behavior, the student may subject himself/herself to expulsion by the Board of Education. Expulsion will be recommended for a Class 3 Offense of the Uniform Code of Behavior.
6. **Fines or Restitution:** Returning to the school or private persons that which has been stolen or damaged; also, making good for the loss or damage; reimbursement; fees for janitorial services.

7. **Connection to Senior Privileges:** There will be a loss of senior privileges for the entire year if a senior commits any violations listed under the class two or class three categories. Seniors committing class one violations, may lose privileges up to the remainder of the semester.
8. **In-School Suspension (ISS):** Temporary denial to a student by a principal of participation in a class. Suspension will be served in the ISS room or designated area. A student's semester grade will be reduced by one percent for each period assigned to ISS. Students will accumulate a day of absence for each period of ISS assigned. While ISS is not listed in the above consequences, it may be substituted for a detention or OSS when the administration deems necessary.
9. **Long Term Suspension (LTS):** Temporary denial to a student by the superintendent of participation in school and school activities for 10 or more days but not to exceed 90 days. Suspension will be served out of school, and students will receive NO CREDIT for courses while serving LTS. Students will accumulate a day of unexcused absence in each class for every day assigned to LTS.
10. **Out-Of-School Suspension (OSS):** Temporary denial to a student by the principal or superintendent of participation in all classes and school activities. Suspension will be served out of school. Any work that is due during a student's OSS will be deducted by 25%. This 25% deduction also includes test and quizzes that taken during that time. Students will accumulate a day of absence in each class for every day assigned to OSS.
11. **Parent/Guardian Conference:** A school administrator or teacher will either call or send written notification of disciplinary infractions. Conferences may require the parents/guardians to come to school to visit with administrators, teachers, or counselors. It is recommended/required that a parent/guardian conference be held before readmitting a student to school following an Out-of-School Suspension.
12. **Referral to Law Enforcement:** A consequence for all offenses listed in the Uniform Code of Behavior which break any civil law or the consequences of which pose a threat to the student or others and are not in the best interest of the school.
13. **Removal from Class:** Permanent denial to a student by the principal and superintendent of participation and credit for a class. Removal may result from terms of a behavior contract, skipping, or excessive absences within a semester as outlined in the attendance policy.
14. **Student Conference:** Conference between the principal and a student for the purpose of discussing patterns of inappropriate behaviors. A student conference may be held to collect information and issue consequences.
15. **Substance Abuse Evaluation:** An evaluation administered by a drug/alcohol counselor in the school district or outside agency to determine a plan of action for drug counseling, rehabilitation, or other recommendation.
16. **Tobacco:** For the purposes of this policy, tobacco means any substance or item, in any form, containing tobacco. The administration will treat the use, possession or promotion of all forms of nicotine-containing products or nicotine delivery devices, which may or may not include actual tobacco, as a violation of this policy, provided the product or device is not part of an individual's cessation program.
