The Oldham-Ramona School District's Food Service Department is a self-operating program. In order to maintain financial stability and equality of all food service accounts, negative student food service accounts are not acceptable. Parents/guardians are expected to keep their child's account balance in the positive at all times. The cost to eat at the school is around \$50.00 a month, depending on how many breakfasts and lunches your student eats. Payment can be made online or by check or cash at the school. Infinite Campus is the food service software the school uses. If you do not have 'Campus' or Parent Portal login information, please contact Kim at 482-8244 to get set up. Thank you!
