GBM STAFF COMPLAINTS AND GRIEVANCES

The Board will encourage the administration to develop effective means for resolving differences that may arise among employees and between employees and administrators; reduce potential areas of grievances; and establish and maintain recognized channels of communication between the staff, administration, and the Board.

Grievance procedures should provide for prompt and equitable adjustment of differences at the lowest possible administrative level, and each employee should be assured opportunity for an orderly presentation and review of complaints and concerns. Channels established will provide for the following:

1. That teachers and other employees may appeal a ruling of a principal or other administrator to the superintendent;
2. That all school employees may appeal a ruling of the superintendent to the Board.

The procedures established for the resolution of grievances in agreements negotiated with recognized employee bargaining units will apply only to "grievances" as defined in the particular agreement.

The time limits specified herein may be extended by mutual agreement, provided the time extension is requested within the time limits provided in the Article.
- If an employee does not file a grievance in writing with the principal or other supervisor within 10 calendar days after the employee knew, or should have known, of the act or condition on which the grievance is based, the grievance shall be considered as having been waived.

To address a qualifying exigency (need) defined by federal regulation arising out of the active duty or call to active duty of a covered family member (spouse, son, daughter, parent, or next of kin) who serves in a reserve component or as a retired member of the Regular Armed Forces or Reserve in support of a contingency operation; and
5. To care for a covered family member (spouse, son, daughter, parent, or next of kin) who has incurred an injury or illness in the line of duty while on active duty in the Armed Forces that may render the family member medically unfit to perform duties of his/her office, grade, rank or rating.

NOTICES AND DEADLINES

- Employees who may be eligible for or who request leave for any of the above reasons shall be provided an FMLA notice of eligibility and rights and responsibilities. Request for family and medical leave should be made in writing but verbal requests may be made to the immediate supervisor or other designated administrator who shall then document the request. The District may require that a request for leave be supported by a certification for health care or military-related situations as permitted by federal law, but such requirements must be set out in the required notice.

Deadline for Notice to be Provided: Absent extenuating circumstances, within five (5) business days of District receipt of a request or the District being made aware of a potentially qualifying reason.

- The District shall designate an employee's leave, paid or unpaid, as FMLA-qualifying and shall provide a designated notice indicating whether the request is approved or if additional information is needed. Leave may be delayed if the employee does not provide proper notice (30 days advance notice for a foreseeable leave; otherwise, notice as soon as the need becomes known).

Deadline for Notice to be Provided: Absent extenuating circumstances, within five (5) business days of learning that FMLA reason supports the leave.

ELIGIBILITY

Employees are eligible for up to twelve (12) workweeks of family and medical leave each school year, if they have been employed by the District for twelve (12) months, have worked at least 1,250 hours during the twelve (12) months preceding the start of the leave, and otherwise qualify for family and medical leave. When family and medical leave is taken to care for a service member's recovery from a serious illness or injury sustained in the line

of duty, an eligible employee may take up to twenty-six (26) workweeks of leave during a single twelve-month period.

Full-time teachers are presumed to have worked at least 1,250 hours during a school year. In determining whether returning veterans meet the minimum 1,250 hour standard, hours actually worked for the District during the twelve-month period are to be combined with hours they would have worked for the District had they not been called for military service.

In situations involving both the Americans with Disability Act (ADA) and FMLA, the District shall apply the law affording the employee the greater benefit.

RESTRICTIONS

To the extent that an employee is entitled to any paid leave, such leave shall be taken and it shall run concurrently with family and medical leave, except that the employee may request to reserve ten (10) days of sick leave. (This requirement shall not apply to employees taking workers' compensation leave.) However, when an employee's work-related injury/medical state qualifies as a serious health condition, worker's compensation leave shall run concurrently with the twelve (12) work week entitlement.

Paid leave used by the employee as required under this policy shall count, as applicable, against the twelve (12) or twenty-six (26) FMLA workweek entitlement.

Entitlement to family and medical leave for the birth and care of a newborn child or placement of a child shall expire twelve (12) months after the date of such birth or placement.

When both the husband and wife are employed by the District, the combined amount of family and medical leave for reasons other than personal illness or illness of a child shall be limited to twelve (12) workweeks. In cases of personal illness or illness of a child, each spouse is entitled to twelve (12) workweeks of family and medical leave. Exception: The limit on the combined amount of family and medical leave shall be twenty-six (26) workweeks when both an eligible husband and wife are employed by the District and are eligible for leave that involves a covered Armed Forces service member.

Depending on the date family and medical leave is to begin, instructional employees as designated by federal regulation may be required to continue on leave until the end of the school term to avoid disruption. Unused family and medical leave shall not accumulate from year to year.

INTERMITTENT LEAVE / REDUCED HOURS

Family and medical leave may be taken intermittently (when medically necessary) or on a reduced hours basis.

CONTINUATION OF BENEFITS

While on family and medical leave, employees shall be entitled to all employment benefits accrued prior to the date on which the leave commenced. Health insurance for an employee on family and medical leave shall continue to be provided by the state on the same basis had the employee not taken leave. Other employment benefits and seniority shall not accrue during unpaid family and medical leave.

If an employee exhausts all of their family and medical leave but continues to remain employed by the District, the employee can remain covered on school-sponsored health insurance for an additional three (3) months for a maximum of six (6) months while employed but not actively at work.

RETURN TO WORK

As noted by the required notice of eligibility and rights and responsibilities when family and medical leave is taken due to an employee's own serious health condition, the employee shall provide fitness-for-duty certification before returning to work. This may include certification by the health care provider that the employee is able to perform essential functions specific to the job, as noted by the District in a list attached to the certification form.

Upon return to work, the employee shall be entitled to his/her same position (or an equivalent position with equivalent pay) with corresponding benefits and other terms and conditions of employment.

EMPLOYEE DOES NOT RETURN TO WORK

If the employee fails to return to work as the conclusion of family and medical leave, the District may recover premiums paid for school-sponsored health insurance during the family and medical leave, unless the failure to return to work was beyond the control of the employee.

NOTICE

The District shall notify employees of family and medical leave provisions by posting appropriate notices in conspicuous places in the Main Office and distributing notices as required by law.

CHRI includes information on the arrest, detention, complaint, indictment or former criminal charge of an individual as well as the disposition of any charges. The FBI rules differ from the DCI rules regarding the disclosure of criminal history record information.

Local Agency Security Officer (LASO): liaison with SDDCI to ensure the agency is in compliance with security procedures. The LASO shall (1) maintain a list of users who have access to CHRI, (2) Identify and maintain a list of persons who are authorized to use the approved hardware, software and firmware to access CHRI and ensure no unauthorized individuals have access to this technology, (3) identify and document how the equipment is connected to the state system, (4) ensure that personnel security screening procedures are being followed, (5) ensure that approved and appropriate security measures are in place and working as expected, (6) promptly notify the MSHP of any security incidents, and (7) support any district security audits.

Noncriminal Agency Coordinator (NAC): primary contact person for the District who serves as the liaison between the District and SD Division of Criminal Investigation, responsible for notifying SDDCI when a new employee starts or an employee leaves so SDDCI can keep CJIS Security training records current and such other duties as required.

Security Incident: An act of violating an explicit or implied security policy regarding CHRI including, but not limited to (1) attempts (either failed or successful) to gain unauthorized access to a system or its data, (2) unwanted disruption or denial of service, (3) the unauthorized use of a system for the processing or storage of data, and (4) changes to system hardware, firmware or software characteristics without the district's knowledge, instruction or consent.

Policy Statement

The District is committed to providing a safe learning and working environment. As part of this effort, and in accordance with state and federal law, regulations, and policies, the district will require each person over eighteen years of age hired by the district, who is a volunteer two or more times during the school year, or is employed by an entity which provides the District direct or indirect student services shall be required to submit to a criminal background investigation, by means of fingerprint checks by the Division of Criminal Investigation and the Federal Bureau of Investigation. The district and its employees, officers and agents will only obtain CHRI when authorized by law and will only use CHRI, or the personally identifiable information first obtained by the district in CHRI, for the purposes of determining whether a person should be employed by the district.

In accordance with law and to protect the district's students, criminal background checks on persons who are employed in the district, who volunteer two or more times during the school year, or are employed by an entity which provides the District direct or indirect student services shall be required. The criminal background investigation shall be done by means of fingerprint checks by the Division of Criminal Investigation. If no disqualifying record is identified at the state level, the fingerprints shall be forwarded by the Division of Criminal Investigation to the Federal Bureau of Investigation for a national criminal history record check. The district and district employees will comply with state and federal law, rules, procedures and policies regarding the receipt, use and dissemination of criminal history record information of any individual.

Designations

1. The Superintendent, as the Agency Representative, is responsible for signing the SD Division of Criminal Investigation (SDDCI) User Agreement on behalf of the District.
2. The Superintendent shall be the District's Point of Contact(POC) and Noncriminal Agency Coordinator (NAC) to act as the primary contact person for the District, shall serve as the liaison between the District and SD Division of Criminal Investigation, and will fulfill all responsibilities of the POC/NAC, including but not limited to being the contact person when SDDCI sends out Audit information, shall be the contact person when an onsite Audit is scheduled, and responsible for notifying SDDCI when a new employee starts or an employee leaves so SDDCI can keep CJIS Security training records current.
3. The Superintendent is designated to be the Local Agency Security Officer (LASO) to act as liaison with SDDCI to ensure the agency is in compliance with security procedures. The LASO shall be knowledgeable in CHRI, policies and mandated rules and regulations as well as knowledge of IT security procedures. The LASO shall actively represent the District in all matters pertaining to information security,

dissemination of information security alerts and other material within the District, and responsible for contacting SDDCI if there has been misuse of CHRI.

Criminal Background Checks

1. Each person over eighteen years of age hired by the district, who is a volunteer with direct student supervision, or is employed by an entity which provides the District direct student services shall be required to submit to a criminal background investigation.
2. The school district shall submit completed fingerprint cards to the Division of Criminal Investigation before the prospective new employee or volunteer enters into service.
3. If no disqualifying record is identified at the state level, the fingerprints shall be forwarded by the Division of Criminal Investigation to the Federal Bureau of Investigation for a national criminal history record check.
4. The District shall pay any fees charged for the cost of fingerprinting or the criminal background investigation for any person whose employment with the District or status as a volunteer is subject to the requirements of this section.
5. Any person hired to officiate, judge, adjudicate, or referee a public event sponsored by a school district is not required to submit to a criminal background investigation.
6. Any person whose employment or status as a volunteer is subject to the requirements of this section may enter into service on a temporary basis pending receipt of results of the criminal background investigation. The District may, without liability, withdraw its offer of employment or terminate the temporary employment or status as a volunteer without notice if the report reveals a disqualifying record.
7. The criminal investigation required by this section with respect to a student teacher completing requirements for teacher certification shall be conducted by the District, and the District may rely upon the results of that investigation for employment of that person as an employee of the district. Results of a criminal background investigation conducted by another South Dakota public school district of a student teacher, hired by the District, may be relied upon by the District.
8. A District employee who is employed simultaneously with another school district is only required to obtain one criminal background investigation, if the background investigation was conducted less than five years before the person was first employed by the District.
9. The District shall run a background check on employees of or applicants for employment with a contractor that does business with the district if the person will be working on school property. The contractor shall be responsible for the cost of the criminal background check.
10. No person may be employed by the District, either directly or by contract, and no person employed by a contract provider and who would have direct student responsibilities may provide direct student services, if the person has been convicted of a crime of violence (murder, manslaughter, rape, aggravated assault, riot, robbery, burglary in the first degree, arson, kidnapping, felony sexual contact, felony child abuse, or any other felony in the commission of which the perpetrator used force, or was armed with a dangerous weapon, or used any explosive or destructive device), sex crimes (including but are not limited to, rape, felony sexual contact with a minor under sixteen, sexual contact with a person incapable of consenting, possessing, manufacturing, or distributing child pornography, and sexual exploitation of a minor), or distribution or trafficking in controlled substances or distribution of marijuana.
 - a. The District may also refuse to employ a person who has been convicted of a crime involving moral turpitude. "Moral turpitude" is defined "an act done

contrary to justice, honesty, principle, or good morals, as well as an act of baseness, vileness, or depravity in the private and social duties which a person owes to his fellow man or to society in general.

- b. The District may consider any criminal conviction in making a hiring decision. The District has the sole and absolute discretion to determine whether the results of a criminal background investigation disqualify a person from employment within the District.
 - c. For purposes of this policy, the term conviction means a plea or verdict of guilty or a conviction following a plea of nolo contendere (no contest) in this state or any other state.
11. The District's employment application form shall inform applicants that if no SD statutorily disqualifying conviction is identified at the state level the fingerprints will be forwarded by the S.D. Division of Criminal Investigation to the Federal Bureau of Investigation for a national criminal history record check.
 12. The application form shall also inform applicants that if the applicant believes the criminal background result is incorrect or incomplete in any respect and the applicant wishes changes, corrections or updating of the alleged deficiency, the applicant should make application directly to the agency which contributed the questioned information or direct the applicant's challenge as to the accuracy or completeness of any entry on the applicant's [record](#) to the FBI, Criminal Justice Information Services (CJIS) Division, ATTN: SCU, Mod. D-2, 1000 Custer Hollow Road, Clarksburg, WV 26306.
 13. Should an applicant be disqualified from employment due to the results of a criminal background check, the District shall inform the applicant that the criminal background check results prohibit the District from employing the person. The District will not delay the employment hiring decision solely because the applicant seeks to correct his or her FBI criminal history record information (CHRI).
 14. Before a person's conditional employment is terminated as a result of the person's CHRI, the District shall inform the person whose conditional employment is subject to termination that the criminal background report reveals a conviction which prohibits the District from employing the person, and inform the person of his or her right to appeal the accuracy or completeness of the CHRI to the SDDCI or FBI. Employees shall be afforded procedural due process consistent with their employment status (i.e., whether the person is an employee-at-will, a school-year employee, or a ten month or twelve month employee) should termination of conditional employment be a possibility following the District's receipt of the CHRI.
 15. All employees and other persons required to submit to a criminal background check pursuant to this policy must notify the district in writing if they are convicted of any offense of domestic violence, child abuse, sex offense, drug (including marijuana) or any felony offense. This notification must be made as soon as possible, but no later than five business days after the event.
 16. The District reserves the right to require any employee or volunteer to submit to additional criminal background checks at the district's expense. The district reserves the right to require any employee of an entity which provides the District direct or indirect student services to submit to additional criminal background checks which shall be at the entity's or person's expense.
 17. As required by state law, SDCL 13-10-15, if, as the result of a criminal conviction the school board suspends an employee without pay, or an employee resigns, or an employee is terminated, the superintendent shall within ten days of the date of the suspension or the date the employment is severed report the circumstances and the name of the employee to the S.D. Department of Education.

Training

The District will ensure that all employees who have access to CHRI shall be trained by SDDCI on the rules and responsibilities for the confidentiality, receipt, use and dissemination of the CHRI.

Confidentiality

1. Before requesting CHRI on any individual, the district will give the individual written notification that his or her fingerprints will be used to obtain the CHRI of the individual, and the district will provide the individual a copy of the statement "Noncriminal Justice Applicant's Privacy Rights." Exhibit GCDB-E(1).
2. Information received by the district pursuant to a criminal background check is confidential. Only authorized persons within the district may access, view or use CHRI. Authorized persons may not share or otherwise disclose information contained in CHRI to unauthorized persons unless explicitly allowed for in this procedure.
3. Unless otherwise allowed by law, the District will only use this information for the district's internal purposes in determining the suitability of an applicant, employee, or other worker on district property. The district will note in an employee's or applicant's personnel file that the background check was completed and if the person was disqualified by the CHRI for employment or assignment. The District will keep the CHRI in a separate file in a location that is only accessible to persons who need to know the information to carry out their responsibilities with the District.
4. Individuals that have access to CHRI will receive CJIS security training provided by SD DCI. Once the individual has completed the CJIS online training and has taken the test each individual will receive and acknowledge in writing the receipt of the following: (1) User Rules of Behavior Acknowledgement form, (2) CHRI Disciplinary Policy, and (3) Acknowledgment Statement of Misuse. The District will keep a copy of the signed documents in each individual's personnel file.

Access and Retention

1. The District may print or electronically share records when necessary to determine whether the person is authorized to work for the district. In those situations, the physical or electronic copy will be destroyed immediately after the decision is made.
2. If the District runs a background check on employees of a contractor that does business with the district, the district will not provide the CHRI to the contractor. Instead, the district will provide a clearance letter notifying the contractor whether the employee is cleared to provide services in the district.
3. The District will not disseminate CHRI across state lines.
4. Upon request the district will provide a copy of the SDDCI CHRI to the person who is the subject of the background check. The SDDCI CHRI will only be released to the individual and not to relatives, spouses or friends. The District will note in the dissemination log that a copy was provided to the individual.
5. FBI rules prohibit the District from providing a copy of the FBI CHRI to the person who is the subject of the criminal background check.
6. The results of the background investigation done by the District shall be transferred to another South Dakota public school district if the other public school district, or current District employee, submits a written request to the District that the results be transferred to the other public school district. The District employee who was the subject of the criminal background investigation must sign a written release

authorizing the transfer. The information will be sent by U.S. Mail or encrypted email.

Recordkeeping

A Secondary Dissemination Log shall be maintained in which all authorized disseminations of FBI and State DCI criminal background check results are recorded. The following shall be recorded in the District's Secondary Dissemination Log:

1. name of District;
2. name of person subject to the criminal background check review;
3. date of birth of person subject to the criminal background check review;
4. SD public school district requesting FBI and DCI criminal background check results and person/title requesting on behalf of the SD public school district;
5. written request signed by person subject to the criminal background check review for a copy of the SDDCI criminal background check results, attached to the Secondary Dissemination Log; NOTE: FBI CHRI cannot be released to the person who is the subject of the criminal background check.
6. date of release of criminal background check results;
7. description of the record that was shared;
8. how the record was sent or received
9. person to whom criminal background check results were disseminated;
10. signature of District employee disseminating the criminal background check review pursuant to a valid request.

The Secondary Dissemination Log shall be maintained until the onsite audit is complete and the District receives from the SD Division of Criminal Investigation written notice of a successful Policy Compliance Review, unless the log is needed or required for other purposes

Security

The district will provide for the security of any CHRI received, including the appropriate administrative, technical and physical safeguards to provide for the security and confidentiality of the information. This includes, but is not limited to, the following:

1. The LASO shall maintain a list of school district authorized persons who have access to CHRI.
2. In those cases when the District has physical copies of CHRI, the District will restrict access to authorized persons only. Physical copies of CHRI, if any, will be maintained in a controlled, secure environment, such as a locked cabinet in a room that is free from public or unauthorized access. The room or the locked cabinet will include an "Authorized Personnel Only" sign.
3. The District will not routinely maintain electronic copies of CHRI; however, in the rare instance where the district has electronic copies of CHRI, the district will restrict access to authorized persons only. Electronic data will be protected with encryption as designated by the state or federal government or will only be accessible by individual password. Computers, printers and monitors used to access CHRI must be situated to prevent unauthorized viewing of the information. CHRI cannot be accessed using computers available to the general public or personal devices. CHRI will not be stored on a server that is unprotected or accessible by an unauthorized entity.

4. CHRI will not be relocated, transmitted or transported outside a secure location unless encrypted according to FBI standards or transported in a locked container or in folders where the information is not visible to the public. A log must be kept if electronic information systems, such as a laptop, flash drive or CD with CHRI information on it, leaves a secured area.
5. The District will dispose of records securely. Physical records will be cross-shredded or incinerated. If the district contracts out for record destruction, the destruction must be supervised. The District shall notify SDDCI of the entity with whom the District contracts for records destruction and must receive SDDCI approval to use the contractor for purposes of disposing of CHRI. Electronic records will be deleted and overwritten as required by the SDDCI or FBI.
6. The District will not provide auditors access to CHRI unless the auditor is authorized by the SDDCI or the FBI.

Security Incident Response Plan

All District employees will immediately report to the LASO information security incidents such as the theft or loss of physical records or the hacking or failure of electronic systems or suspicions that an incident has or will take place. The LASO will document receipt of all reports, investigate incidents and report incidents to SDDCI. LASO documentation will include (1) date of security incident, (2) location of security incident, (3) systems affected, (4) method of detection, (5) nature of security incident, (6) description of security incident, (7) actions taken/resolution, (8) current date, and (9) contact information for LASO.

Consequences

Employees who fail to keep background check results confidential or fail to follow this policy or any laws or rules regarding the access, receipt, use or dissemination of CHRI as required by law will be subject to disciplinary action up to and including termination. Unauthorized requests, receipts, release, interception, dissemination or discussion of CHRI may also result in criminal prosecution.
